THE ROMBOUT VER PLANK PATENT.

On February 8, 1682, Governor Thomas Dungan gave a license to purchase land of teh Wappenger Indians to Francis Rombout and Guiliam Ver Plank. The purchase was consummated and the title of the natives extinguished August 8, 1685. A patent was issued October 17, 1685. It embraced the present towns of Fishkill, East Fishkill, Wappenger, the west part of Lagrange, and 900 acres in the southern part of Poughkeepsie.

THE BEEKMAN PATENT AND OTHERS.

The Beekman Patent was granted to Henry Beekman June 25, 1703. It comprised the Towns of Beekman, Union Vale, the eastern part of Lagrange and Pauline. Scuyler's Patent to two tracts of land, one south of Poughkeepsie, and one near Red Hook was issued June 2nd, 1688. The Poughkeepsie Patent May 7, 1697. Great Nine Partners Patent May 27, 1697. Rhinebeck Patent June 8, 1703. Adolph Philips' Patent, now in Putnum Co., June 17, 1697.

DUTCHESS COUNTY.

On the 1st of November, 1683, the New York Assembly organized the province into 12 counties.

Dutchess County extended from Westchester north to Roelof Jansens Hill, and eastward 20 miles. In Dec., 1737, it was divided into seven precincts, viz: Beekman, Charlotte, Crum Elbow, North, Poughkeepsie, Rhinebeck and Southeast.

A few years later, the Rombout Patent, or a large part of it, became Rombout Precinct, and Philip Precinct was organized in the south part of the county. Still later the south part of Rombout Patent was organized into Fishkill and East Fishkill Precincts. The boundaries of the latter and of Beekman were changed. The boundary line between them then ran near the shore of Sylvan Lake—a nearly round body of water three miles in circumference, mostly in Beekman Precinct, near the Fishkill River and 15 miles from Fishkill Landing.

THE FISHKILL RIVER.

The sources of the South Branch of the Fishkill River are a spring at the foot of the mountain in a ravine in Beekman Precinct, and Whalens Pond situated among the broken hills in Powling Precinct, and a spring in a swamp in Union Vale, four miles east of Rhinebeck which forms the north branch. They unite near Sylvan Lake. The river flows in a southwesternly direction through East Fishkill Precincts into the Hudson River at Newburgh Bay. Several affluents enter it below Fishkill Village, and it falls 187 feet in the five miles to the Hudson.

On the north bank of the Fishkill at its mouth was the Matteawan landing.

Cornelius Wiltsee^{4} willed his son Cornelius^{5} 40 acres of land and ten acres of swamp. After his death Cornelius^{5} passed as Cornelius Wiltsee, Sr. Cornelius Wiltsee^{5} lived in July, 1759, at Spencertown, Columbia Co., and at Duanesburg in 1770.

I am looking for any info on Moses Elliott around the time of 1850's. He married Nancy Smith and they had 7 kids. William H. Elliott is in my line. He was born on 11/28/1858, died 1/3/1900, married Mary Nunn.

Any new info would be of great help. Will share what I have.

A SLAM AT HOME COOKING

"Could you pass the bread?"

"I think I can. I move pianos all the times."

Little Marvin found a button in his salad.

Said Willie: "I suppose it fell off while the salad was dressing."

Modern Mother: "Willie, you've been a very naughty boy. Go to the vibrator this instant and give yourself a good shaking."

Nature Hint—Another good place for a zipper would be on a string bean.

RE: Open Records Request Form 2.doc

If you are interested in determining who has held ABC licenses for that location you can do one open records reques and specify that you would like the names of all individuals, corporations, etc. who have held ABC licensing at the location in which you're interested. We can then browse that address and provide the names of all licensees who sh up for that location. We did go to a new computer system a few years ago so that may somewhat limit the informati we have available but we will provide what we have. Are licensee names for the location the only thing you're interested in?

Subject: Re: Open Records Request Form 2.doc

I guess i wanted to know past and present owners and thought the licensing would tell me that. If not what would y suggest? Thanks Norma Karen Carter.

About FamilySearch Pedigree Resource File

The Pedigree Resource File is a new lineage linked database of records available on compact disc containing family history records submitted by individuals through FamilySearch Internet Genealogy Service. Family information is organized in family groups and pedigrees and includes submitted notes and sources. Many charts and reports can be printed from this data. Each disc contains about 1.1 million names. With the publication of every five discs, a master index for those discs will be published and packaged with that set of discs. With the publication of every 25 discs, a master index for those discs will also be published and packaged with that volume of discs. Discs may be purchased as sets or volumes.

Please Note

Submitter information is provided to help in the coordination of personal family history research. Use of this information for any other purpose, including marketing, advertising, or commercial solicitation, is strictly prohibited.

Higdon: As I never see anything from this place, I will give you a few items. Mr. P. D. Ladd and wife have returned from a visit to Louisville and Madison, Ind. They report a pleasant time. *
Mr. T. J. Graham and baby Rex have been visiting his daughter of this place. * Mrs. Decator Nichols has been very ill, caused by the bite of a spider. * Mr. John Logsdon and Evan Cook were returning from Grayson Springs when the horses ran away, and threw the boys out of the wagon, killed one horse and smashed the wagon. Mr. Logsdon has the sympathy of the people, for this is the second horse he has lost this fall. * Born - to the wife of James Foster, the night of the 14th, a fine boy; wife and child doing well. James says he has a spike team now; he has three boys. * I have just returned from an extensive visit in Spencer County, Ind., my old home, where I lived in the bloom of my youth. I had not been in that county for 23 years. I found some of my friends and relatives, but many were gone to an unknown world. I went over the neighborhood and found things wonderfully changed. They have stock law, and the fencing is all gone, roads changed, the land all cleared and new houses decked about, and the old Baptist Church torn away and gone. The next morning was Sunday, and I went to Oak Grove Church to an old-fashioned class meeting. When I went in I heard Jack Parsley and his choir singing, and felt joyful, but when I began to look for those that once were there, I found that they had gone from this troublesome world to a land of rest. It seemed that their angel voices echoed back to those that were left behind. I then visited the cemetery where I found the lonely mound that covered the last remains of my old aunts and cousins. I knew like the poet, "that they were happy with their angels' plumage on, but my heart was very desolate to think that they were gone." The next day I went to Rockport, a nice little town where I found a great many of my old friends, and, finding a great many staunch Democrats, they felt nearer to me than ever. I traded them some Kentucky horses and left them. I shall ever remember them with love and kindness. On my return I carefully took in the Owensboro Fair, and I saw some of the prettiest stock, the finest saddle horses, and the fastest trotters and runners in the Green River country. As this is my first effort to write for publication I will close by wishing The Gazette and its many readers success. I remain Rock Creeker.

Lands for Sale - I have in my hands for sale the following described tracts of land, bought very low, for one-third cash lying in Grayson county. Much of it is well timbered with white oak and poplar and nearly all of it is good farming land. 337 acres lying near Leitchfield known as Tibbatt's lands. 247 acres on Short Creek, known as the Wesley Porter tract. 114 acres on Short Creek, known as the Shelby Cummings tract. 109 acres on Short Creek, known as the Lafe Edwards tract. 270 acres on Short Creek, known as the William Higgins tract. 213 acres on Short Creek, known as the Davis Young tract. 12 acres near Leitchfield, known as the W. L. Starling tract. Any or all these lands can be bought very low, for one-third cash and remainder on one and two years credit, with six per cent interest from date. For particulars apply to J. S. Wortham, Agent.

* * *

Mr. C. J. Yager was in the city Tuesday. * Mr. John W. Moorman returned to Louisville Sunday night. * Miss Bettie Robinson, of Big Spring, is visiting Mrs. R. E. Yates. * Mr. Owen T. Yates spent Saturday and Sunday here with his parents. * Mrs. Charles Abraham and daughter, Mrs. H. H. Willis, have returned to Lockport. * Mr. Henry DeHaven, of Millwood, was visiting in Breckenridge county this week. * Mrs. J. T. Gosnell and her sister, Miss Mollie Balance, leave today for Logan county. * Miss Emma Skillman, of West View, Breckenridge county, is visiting the Misses Pulliam. * Miss Sophia McClure left Sunday to visit her sister, Mrs. Taylor Monroe, of Cave City. * Mr. Henry Monroe, of Carrollton, Ill., is visiting his mother-in-law, Mrs. Francis McClure. * Mrs. Lowery and grand-daughter, Miss Sadie Long, have returned from a visit to Elizabethtown and Sonora. * Mr. J. M. McClure, Jr., has gone to Arkansas City, Kan., to visit his sister, Mrs. Atkinson, and inspect the country. * Senator Wortham and wife returned Tuesday from a visit to their daughter , Miss Jakie who is in Lexington attending school. * Miss Frank Roberts, who had been at Owensboro for a month or six weeks, returned home last Friday to remain a few weeks. * Messrs. Harvey C., Henry B., and Dan W. Cubbage, of Yates, Mo., arrived Wednesday morning in response to a telegram announcing the death of their mother, Mrs. Wm. Cubbage.

Protect your property from cyclones and windstorms by insuring with Jess T. Gosnell, $11 buys $1,000 insurance for five years. * The Leitchfield kid baseball club went to Bloomington last Sunday afternoon and defeated the kid nine of that place. Score 40 to 39. The Leitchfield kids, like their seniors, are hard to down. * The frame work of the new Methodist church on Main street is nearing completion. When this is finished Leitchfield will be well supplied with churches. Seven in all, including two colored churches. * The last remnant of Leitchfield's Opera House and only theatre was this week removed. That which has for many years served as public hall, theatre, skating rink, ball-room, band room and numerous other purposes has been dismantled of its stage, curtains and scenery preparatory to the removal of the Grayson Gazette office to that building. * Born, Oct. 21, 1890 to the wife of J. C. Moorman, a boy. * Mr. Ansel Wilson's saw mill, just below Rosine, burned Monday night and nothing was saved. * Dynishus Clark and Miss Cornelia A. Wilson were married last night at 7 o'clock at the residence of C. T. Wilson, near town. * Eld. C. J. Hawes, of the M. E. church, of Louisville, will preach at the Court house on the second Sunday in November. * James Shain and Miss Eliza A. White received license yesterday to marry. They will be married Sunday at G. W. White's, the brides father. * G. D. Purvis and Mrs. Georgia A. Aubrey, E. T. Paris and Miss Sarah P. Miller, Joseph P. Hays and Miss Elizabeth F. White have been granted marriage licenses by County Clerk G. A. Cubbage the past week

Circuit Court: The four weeks' term of Court, the longest ever held at this place, closed last Saturday. The following are the most important cases that were disposed of since our last report. W. S. Miller vs Letcher Fleener, involving the ownership of a yoke of oxen, was a very interesting case, there being five lawyers in the case. Judgment for $66 was rendered in favor of Miller. Nancy Allen vs. W. E. Wortham suit for libel was a long case but resulted in a hung jury. J. H. Barton vs Railroad for obstructing natural flow of water resulted in a verdict of $100 for Barton, but an appeal was taken. Hon. P. H. Darby and Judge J. C. Graham sat as Special judges during most of the week, Judge McBeath being disqualified in most of the cases.

We will begin tomorrow to move the plant of the Gazette to Heyser's Opera Hall. This is a herculean task as the presses, stones, etc. are very heavy, and it will be difficult to get them down and up the stairways. There is also great danger in getting some of the machinery broken, and, if The Gazette does not come out on time next week, you will know that it is on account of the removal.

All that part of Rosine south of the railroad was burned on last Saturday at noon. The fire originated in the cook rooms of Judge Crowder and his dwelling, Ragland's drug store, the hotel occupied by Mr. Leach but owned by H. D. McHenry, and the depot were all burned, besides two cars that were on the side track, and a lot of staves. The loss amounts to $7,000 and not a cent of insurance. All of the north side of the town was burned in 1882.

I have found some Logsdon Photos among the stuff my grandmother and her niece have given me. I scanned the photos and put them up at Webshots. There are pics of William James Logsdon and Martha Sego (I was very excited by this find as they are so far back), Agnes Priscilla Logsdon and her children Ami Shafer and Melvin Logsdon, and Shafer's family. Just go to http://community.webshots.com/user/poncho58 and click on Family. I am wondering if anyone else has photos to share?

Hopewell School – 1908

This photo was taken in October, 1908. The Hopewell School was located west of Leitchfield and SE of Short Creek in Grayson County, KY. The only person I have a name for in the photo is my father Wavy Beatty. He is the young man on the right hand side of the second row from the top. Any help anyone could give in identifying other persons in the photo would be very much appreciated.

ubject: Re: Grayson Co., KY, Birth Records before 1911?
uthor: WmRVincent
ate: Monday, January 01, 2007
assification: birth
urnames:

The Commonwealth of Kentucky requested birth records to be reported for selected years, which are now available on microfilm. Most Kentucky libraries have copies of these films, and many have been transcribed into printed publications (e.g., Grayson Co. Birth Records, by F. T. Ingmire) which are also widely available. Compliance with reporting births was not always 100%.

Grayson County Birth Records are available for the years 1852-1859, 1861, 1874-1876, 1878-1879, 1893-1894, 1901, 1904, 1906-1907, & 1909-1910.

assume that you are talking about the cemetery at the Rock Creek Methodist Church. From Ξlizabethtown, take the Western Kentucky Parkway to Clarkson and exit, turn left onto ˧ighway 224, and travel east for about two miles. Turn right onto Highway 3210 (also called Ɽock Creek Road) and travel south about 5 miles. The little white church building and ɜemetery is on your left shortly after you have crossed the Rock Creek bridge. I hope this ıelps you find the cemetery.
